Save Time Visuals offers a comprehensive range of Vista's functional pinboards featuring a wide variety of different surfaces, styles, colours and size to suit any requirement. Vista pinboards are 100% Australian-made and use environmentally-friendly materials such as Vertiface and Krommenie, which are highly suitable for the most sensitive of environments.

	<p><b>Velour</b></p> <p>Velour is low-maintenance, has a stain-resistant surface and an ideal finish for school classrooms, office partitions, notice boards, pinboards and exhibition stands. It is hook-and-loop (velcro) receptive, so any velour fabric surface can also be used as a display board.</p> <ul style="list-style-type: none"> <li>✓ Non-toxic</li> <li>✓ Non-allergenic</li> <li>✓ Non-irritant</li> <li>✓ Recyclable</li> <li>✓ Pin &amp; Velcro Friendly</li> <li>✓ Will not rot or breakdown</li> <li>✓ Australian made</li> <li>✓ Size options available</li> </ul>
	<p><b>Versatile Peel N Stick Wall Tiles</b></p> <p>The innovative Versa-Tile® Peel 'n' Stick Wall Tile is an effective acoustic wall insulation and functional decorative solution designed to reduce reverberated noise and improve classroom ambience. Receptive to pins and hook and loop (velcro) dots. 	<p><b>Cork</b></p> <p>The neutral tones of 100% natural cork will blend with any decor from the home office/study to the lecture room or board room. Aluminium trimming with molded corners and concealed fixings.</p> <ul style="list-style-type: none"> <li>✓ 100% natural cork surface</li> <li>✓ Size options available</li> </ul>
	<p><b>Felt</b></p> <p>Felt is an economical and attractive material. Felt fabrics come in a range of vibrant colours and are relatively low maintenance making them a popular choice for school classrooms. Felt is also suitable for office partitions, notice boards, pinboards and exhibition stands. Felt has the unique benefit of being self adherant - felt cutouts will grip a felt board in a similar manner to velcro making felt a useful tool for classroom demonstrations.</p> <ul style="list-style-type: none"> <li>✓ Non-toxic</li> <li>✓ Fire resistant</li> <li>✓ Recyclable</li> <li>✓ Felt adheres to felt</li> <li>✓ Will not rot or breakdown</li> <li>✓ Size options available</li> </ul>
	<p><b>Krommenie</b></p> <p>Krommenie is a 100% natural linoleum surfacing material which is produced from renewable raw materials. The combination of oxidized linseed oil, rosin and finely ground cork gives the product its flexibility and resilience-exceptional durability and a sustainable footprint all in the one product. The strong, durable, resilient and self-healing properties of Krommenie prevent crumbling and loss of grip, making it ideally suited for use on notice boards. Krommenie does not attract dust, is also hygienic and bacteria resistant making it the ideal pin board for any classroom, office or healthcare environment.</p> <ul style="list-style-type: none"> <li>✓ Environmentally friendly - renewable natural product</li> <li>✓ Hygienic and Virtually bacteria free</li> <li>✓ Anti-static</li> <li>✓ Resilient and flexible</li> <li>✓ Practical and easy</li> <li>✓ Long lasting, timeless and strong</li> <li>✓ Versatile and colourful</li> <li>✓ Available in matt colours, so that reflection caused by sunlight or artificial light is reduced.</li> </ul>
