

## e3 Environmental Ceramicsteel Porcelain

Quality - Value - Satisfaction - Guaranteed! Vista Whiteboards are 100% Australian-made. Save Time Visuals offer a comprehensive range of Vista whiteboard products including commercial (steel) and porcelain whiteboards, available in magnetic, fixed, fixed mobile and pivoting mobile options.

Vista's porcelain whiteboards feature the new e3 environmental ceramicsteel surface - the world's first & only environmentally certified whiteboard surface to achieve "Cradle to Cradle" Silver Certification. The e3 environmental ceramicsteel whiteboard surface is 99% recyclable and contains no volatile organic compounds (VOC's).

The Vista e3 environmental ceramicsteel (porcelain) whiteboard features a ***LIFETIME Surface Warranty under normal use and conditions.***
