

Lectrum Lectern Accessories

Padded Cover for Lectrum Classic Series

Protective covers now available for all Lectrum models.

These heavy duty Padded Covers provide maximum protection from knocks, dust and dirt when lecterns are not in use or are in storage.

- ✓ Made from super tough, coarse spun, rip stop canvas
- ✓ Triple stitching and binding on all seams
- ✓ 6 mm foam padding with soft fabric inner lining
- ✓ Accessory pocket with Velcro closure
- ✓ Manufactured in Australia
- ✓ and designed to last a lifetime of use
- ✓ New style Carry Bags (set of 2, for Classic Series only) are also available with the same rugged construction.

For presenters requiring more working space when using Notebook PC's. The use of the shelf means the entire top work surface of the Lectrum® can be used for notes and papers.

- ✓ Aluminium construction fitted w/anti-skid fabric mat
- ✓ Supplied factory fitted
- ✓ Extends beyond at 15 deg. Angle
- ✓ Comfortable working height
- ✓ Slides away when not in use
