TechFold

SINGLE FRAME PORTABLE PROJECTION SCREEN

TechFold portable screen systems offer the professional solution to audio visual challenges as demanded by major event presentations, corporate showcase and hospitality conferencing.

TechFold sets the industry standard for rental companies who insist on rugged, intelligent design that works first time, every time, time and again.

Offered in two basic styles (single frame and heavy duty truss) with front and rear projection surfaces, carry case and full drape kits available.

With a host of technical features to assist users in adapting to the most demanding of installations, from keystone adjustment to the ability to be flown from rigging, the TechFold screen is the professional's choice.
