## Pipe and Drape Runoff (PDR)

This universal portable Pipe & Drape Runoff (PDR) system can extend the theatre-like appearance of any folding screen and Dress Kit, including Draper's Cinefold, Truss Cinefold, Ultimate Folding Screen, FocalPoint, or StageScreen. Completely freestanding modular system can be assembled in minutes to virtually any size or configuration—without tools—giving your screens and tables a clean appearance.

Drape panels are available in 156" (396cm) or 50" (127cm) widths (to be reduced for fullness). Available in heights of 144" (366cm) or 192" (488cm), with hems top and bottom to accept horizontal drape supports. Choose from four fabrics in black or rich navy, all flame retardant: Velour, Vellite, Classic Twill, or Poly-Knit. Custom colors are available. Draper's Inherently Flame Retardant (IFR) Velour is also available.

**Horizontal Drape Support**—Infinitely adjustable, with preset positive locking stops—10' (305cm) length, with stops at 6' (183cm), 8' (244cm) and 10' (305cm); 12' (366cm) length, with stops at 7' (213cm), 10' (305cm) and 12' (366cm). Attaches to uprights with sturdy steel hook and slot.

**Slip-Lok Upright**—Telescoping 2-piece uprights are infinitely adjustable from minimum to maximum height settings. Friction lock bears virtually any weight, yet has fingertip release.

**3-Piece Upright**—**NEW!** Extends from 7' (213cm) to 17' (518cm) to quickly and easily adjust your drapery to the height you want with minimal effort. Uses the same tough construction as other Draper uprights.

**Steel Bases**—Sturdy and inconspicuous. Alternate stud positions allow for setup against a wall or in a corner.  $\frac{3}{8}$ " x 18" x 18" (1cm x 46cm x 46cm) and 35lbs (16kg), or choose a lightweight base,  $\frac{3}{16}$ " x 18" x 18" (.5cm x 46cm x 46cm) and 18lbs (8kg). Store and transport your steel bases and studs in our convenient **Mobile Base Cart (NEW!)** pictured at right.

Black hardware is available for quantity orders.

## Tripod Screen Skirts

Dress up your Diplomat, Diplomat/R, or Consul tripod screen with Tripod Skirts. All skirts are 38" (97cm) high and attach easily with hook and loop to the screen case. See below for fabric and color options.

## AV Cart & Table Skirts

Skirts for AV carts, tables and projector stands—available in black (standard) or rich navy (optional). Coordinate with Pipe & Drape Runoffs or any folding screen Dress Kits for an integrated, professional look.

Every stand and table—regardless of make, condition, even accessories cluttering its shelves—becomes an attractive component in a unified system. Three-sided skirts are available for easy operation of audio/video equipment on mobile tables. Every skirt is furnished with hook and loop for instant attachment and removes easily for storage, transport or cleaning.
