

Toughened Glass Board

Description

- A Toughened Glass Board is an economical alternative to the Superclear Toughened Glass Boards.
- With a standard iron content, there is a slight blue/green tinge to the glass, especially against light coloured backgrounds.
- The Toughened Glass boards are made from 6mm toughened glass and can be ordered in a range of colours.
- Choose from either a magnetic toughened glass board or non-magnetic glass board.
- Choice of Depth or float fixing method (same price)

- Depth Fixing method
- Float Fixing method showing acrylic pen tray
- Acrylic pen tray is included in the price.
- Freight is applicable to all orders and will vary according to quantity, size and destination.
- For a clearer board see our [Superclear glass](#) board range.
