COVID-19 STAGE 4 RESTRICTIONS UPDATE: WE ARE OPEN.

Save Time Visuals is operating with limited capacity in all areas of our business. **Save Time Visuals** will ensure strict compliance to our Covid Protocol and CovidSafe Plan to protect our staff, their families and our clients at all times.

Office Operations

We are operating with limited capacity to provide support for essential services and businesses with operational permit.

NB: *We will no longer be able to have visitors to our office for meetings.*

Warehouse

We remain open to receive, despatch stock and are fulfilling our current commitments for organisations with permits to operate.

NB: *There will be some minor delays but we will be able to support our clients, our sales and installation teams.*

Sales

We continue to offer sales support and services. Our sales team will remain contactable via **1300 658 986** and their respective mobile phone or email. If you are unsure of their direct email address, please email savetime@savetime.net.au for any enquiry or future AV planning.

NB: *We will be limiting onsite meeting in preference to Zoom meeting or phone call.*

Service Support/ Installation

Our service/ project /installation teams are still running to ensure the workplace system of critical healthcare and education services in Victoria remains operational.

NB: *All client workplaces defined as operational and a Permitted Work Premises by the Victorian Government will be able to continue with the Projects however, we will ask you to provide written confirmation that your business is approved prior to attendance.*

Keep well and stay safe!
