

North Bayou TW-150 Motorised Table Easel Mobile AV Trolley

The NEW TW150 Table Easel solution is designed to provide complete mobility and flexibility in any learning/presentation area. It allows for use in a vertical position as a normal interactive panel or in a horizontal position as an interactive table with a smaller group of users. This specialised tilting screen mount solution provides unparalleled access for smaller students or for those with mobility issues that benefit from being able to input via a low-level sloping touch screen.
